Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Tyngsborough MA-Sewer Capacity Project in fiscal year 2024. The entity to receive funding for this project is Tyngsborough Sewer Commission, located at 25 Bryants Lane, Tyngsborough, MA 01879. The funding would be used for sewer infrastructure rehabilitation. The project is an appropriate use of taxpayer funds because it will ensure the Tyngsborough maintains sewer capacity to support housing, economic development, and ensure environmental benefits by allowing parcels with failed septic systems to have the availability to connect to municipal sewer.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lori Trahan".
